Lay out specifics **Message in a Bottle** (information)

Drawings used below are for visualisation and explanation purposes only.
These lay out specifics serve as additional explanation while using the templates which can be downloaded on the website.
The files on our website are the correct format (incl. margin settings) and the lines/folding lines/cropping lines are correctly placed.

— This is the size including margin settings (bleedbox). Images/backgrounds can run to this line.

— This is the eventual size

— Place texts in this box; 0.2in inside the net size

The card is rolled into a scroll and put inside the bottle.
